

Maghull and Lydiate U3A

Reg. Charity: No. 1116576

Group Updates *Jul/Aug/Sep 2024*

Summer is with us at last, even if it does seem to come and go this year. Our walking groups are no doubt enjoying the chance to experience the countryside and the town walks in glorious sunshine whilst always keeping their waterproofs close to hand!

We had a busy month in June and I'd like to thank all of you who came to support us at our annual general meeting for your attendance. We were very lucky to have 111 members turn up and were thrilled that we got through our agenda very quickly and efficiently. Also in June, we took part in the Maghull festival a display of all the organisations in Maghull that are run by volunteers for the benefits of all our residents. Our group produced an eye-catching stall and I want to send my thanks to the group leaders and the members who helped set up the stall and made it such an excellent showpiece of what we have to offer at our U3A. We spent the day talking to prospective new members and catching up with those we haven't seen for a while. .

Summer means that many of our groups will take a well earned rest, giving the Group Leaders a chance to recharge their batteries. Obviously not all groups closed down, so it would be a good idea just to check with your group leader what's happening to your favourite group over the month of August. On the last Tuesday in August, as usual, our coffee morning will not be taking place. The 27th of August will be a day of rest for the treasury group, the book group, the tea ladies and all the leaders who turn up each week.
